

TANISHA AGARWAL

Data Analyst | Python | SQL | Data Analytics

agarwalt693@gmail.com | LinkedIn | GitHub | Pune, India | Portfolio

PROFILE

MCA graduate with a strong foundation in Python, SQL, and data analysis, built through academic projects and a 7-month internship in web analytics and reporting. Built an end-to-end ML pipeline for student performance prediction and worked extensively with Pandas, NumPy, and Excel to clean, analyze, and visualize data. Looking to apply data analysis and reporting skills to a data analyst / data engineering role.

EXPERIENCE

Web Intern | Prop Innovations and Solutions, Pune

Aug 2025 – Mar 2026

- Tracked and analyzed website performance metrics, producing structured reports that informed product decisions.
- Conducted competitor analysis and usability research, translating data into actionable design recommendations.
- Identified and documented defect patterns across feature releases to support quality reporting.

PROJECTS

Student Performance Predictor — Python · Scikit-learn · SVM · Flask

- Built an end-to-end ML pipeline — data cleaning and feature engineering with Pandas/NumPy, SVM training, and comparison across multiple algorithms.
- Performed exploratory data analysis and visualized results with Matplotlib/Seaborn; deployed predictions via a Flask interface.

Resume Analyzer — Python · Flask · Generative AI

- Built a data-driven Flask tool that parses resume text and extracts structured, keyword-level feedback using generative AI.

TripTactix — Smart Travel Planning Platform — Python · Flask · Jinja2 · AI

- Designed data models for trip, booking, and recommendation logic; used budget/preference data to drive personalized suggestions.

AgroConnect — Farmer-Buyer Marketplace — Python · Flask · MySQL

- Designed the MySQL database schema and order-management data flow connecting farmers and buyers.

TECHNICAL SKILLS

Data & Analysis: SQL, MySQL, Excel, Pandas, NumPy, Data Cleaning, EDA

Visualization: Matplotlib, Seaborn

Development: Python, Flask, Scikit-learn

EDUCATION

Master of Computer Applications (MCA)

2024 – 2026

Pimpri Chinchwad University, Pune | CGPA: 8.66

Bachelor of Computer Applications (BCA)

2021 – 2024

ICCS, Pune | CGPA: 9.2

CERTIFICATIONS

Machine Learning · Python Programming · Generative AI — Coursera

LANGUAGES

Hindi — Native · English — Fluent
